

Intermediate Lesson 7

Teacher - Write all the words from Teacher's Manual page 52 on index cards. Then have students read and sort the cards between long e and short e sound or if necessary, you read the words and ask the students to discriminate what they hear. Ask students to look closely at the ones where they read or heard the word have the short e sound. What observations can they make about those words? Use the spaces below to stack the word cards if desired.
