

Lesson Planning

⇒ **GATHER MATERIALS**

Required: Stevenson Teacher's Manuals for Reading and Spelling; Student Workbook

Optional: Language Development Guide

Available from Partners in Associational Learning

⇒ **NUMBER THE LESSON OPTIONS**

Some activities will be mentioned in both the Stevenson Reading and Spelling Manuals. By actually placing a number beside the activity it is easier to determine all available teaching activities and which ones overlap.

⇒ **FROM THOSE OPTIONS, SELECT INTRODUCTORY, PRACTICE, AND REVIEW ACTIVITIES**

⇒ **DETERMINE NOTEBOOK USE**

Which sections will be used during direct instruction and which sections will be assigned as independent work?

⇒ **ADD EXTENSION IDEAS**

Literature, art, drama, cooking, social studies and/or science
